**Field Trips & Programs**

Dan Van Norman has scheduled trips in Oct-Nov-Feb-Mar. Ginny Cooper distributed a Program Schedule for 2007-2008. It was suggested field trips be added to the Program Schedule, with all events posted in Flyways and on the Chapter website.

**Issues-Comments-General Discussion**

Flyways: Please submit items for publication to Gerri.

Web: Need to add a link to Flyways on the Chapter’s homepage. Homepage needs major overhaul to make it more user-friendly and eye catching. The website is our best marketing tool. It should attract members, encourage member participation and invite donations.

Marketing: We need a marketing plan.

Agenda: Meeting agenda should be organized with items grouped by category and fit into a one hour meeting time.

Birdathon: KZ will ask Neal and Brian to take the lead on this. The date(s) chosen should be added to the Program Schedule, appear in Flyways and on the website.

Audubon Assembly: We need to discuss plans to host or co-host the assembly in 2008 at the next Regional Meeting. Need to know what support State will provide and invite local chapters to help with planning and cost.

**Nomination to Fish & Wildlife Conservation (FWC) Commission Board**

John Cassani was introduced, distributed his personal background information and spoke about the opening and requested nomination.

FWC’s seven Commissioners are appointed by the governor and confirmed by the Florida Senate to five-year terms. Their constitutional duty is to exercise the “...regulatory and executive powers of the state with respect to wild animal life and fresh water aquatic life and shall also exercise regulatory and executive powers of the state with respect to marine life, except that all license fees and penalties for violating regulations shall be as provided by law.”
